## **Peace Point Rights and Stealth Media Group announce distribution agreement**

Santa Monica, CA (AFM) – November 1, 2012 – **Peace Point Rights** and **Stealth Media Group** have completed an agreement that will see Peace Point Rights service worldwide television, home entertainment and digital distribution rights for Stealth Media’s extensive film catalogue of over 250 films, in addition to selected future titles.

Their long list of award winning films includes ***Plots With A View*** (Alfred Molina, Naomi Watts, Christopher Walken, and Lee Evans), ***Donovan’s Echo*** (Danny Glover, Bruce Greenwood) and ***Beyond Friendship*** (JJ Feild, Tom Conti and Ian Holm).

“We are thrilled to be working with Les Tomlin and his talented team at Peace Point Rights. Les has created what can only be described as a top flight International TV distribution business with the dream team of mavericks in sales. We are indeed proud to be represented by Peace Point for our catalogue and look forward to a long and prosperous relationship,” says Stealth Media Group’s Joint C.E.O, Sean O’Kelly.

“Stealth Media has created a truly wonderful catalogue that we are excited to represent. These are exceptional titles that we know will resonate in markets around the world,” said Les Tomlin, President and CEO Peace Point Entertainment. "This partnership with Stealth takes Peace Point Rights to the next level as we continue to grow the division through strategic acquisitions as well as our in-house productions."
