FOR IMMEDIATE RELEASE

Worldwide Film Entertainment has signed early AFM licenses for TRADE OF INNOCENTS starring Dermot Mulroney and Mira Sorvino, currently in theatrical release in the United States through Monterey Media.

Signed sales include to Koorong for Australia and New Zealand, Another World for the Scandinavian countries, NPN for the United Kingdom, Gala Global for India and Heritage for Colombia. Special humanitarian event screenings have been requested in Korea, South Africa and The Netherlands and negotiations in these countries are underway.

Additionally, the crime thriller which has been chosen as a Spotlight Initiative film by the Creative Coalition is directed by Christopher Bessette and produced by Bill and Laurie Bolthouse and Jim Schmidt. WFE's president Mudge says, "I'm pleased that we have such a strong reaction from the licensing community on this worthy film."
