***Vitality* Documentary Has Fresh Perspective on Western Medicine**

LOS ANGELES (11/26/2012) – The new documentary *Vitality* by Dr. Pedram Shojai (*The Alchemy of Qi Gong*) takes a fresh look at Western medicine and the recipe for wellness versus ‘sick care.’ Currently the film is available for purchase on DVD via the Well.org platform that Dr. Shojai continues to build in partnership with other healthcare professionals in a synergistic confluence of healthcare and media. Experts featured in the film include Dale Archer, Hyla Cass, Bruce Lipton, and Alberto Villoldo.
