LOS ANGELES (November 3, 2017) -- Clay Epstein's Film Mode Entertainment announces the World Market Premiere screening and AFM debut of the new thriller **THE NINTH PASSENGER**. The film stars **JESSE METCALFE** (*Dallas*) as well as a talented ensemble of young, veteran and up-and-coming actors that include **Tom Maden** (*SCREAM*), **Alexia Fast** (*Manhattan*), **Timothy V. Murphy** (*The Lone Ranger*), and **Cinta Laura Kiehl** (*After the Dark*).

From the Executive Producer of *IT FOLLOWS*, Corey Large, *THE NINTH PASSENGER* uncovers a group of college students on a spontaneous midnight sea voyage aboard a luxury yacht. The adventure turns horrific when they drift to a dark island and are hunted one by one by a mysterious ninth passenger.

Not everyone is what they seem in this spine-tingling excursion. "Audiences are going to have a lot of fun with *THE NINTH PASSENGER*. The filmmakers have made a really entertaining film with great characters and great twist at the end," said Epstein.

The film is perfectly positioned to captivate audiences across the global marketplace. And with over 3 million followers on social media from the U.S. to China and everywhere in between, **CINTA LAURA KIEHL** (*AFTER THE DARK*) brings even more star power and a dedicated audience to the *THE NINTH PASSENGER*.

Stay for the AFM World Market Premiere of *BLOOD BOUND* starring **EDEN BROLIN** (*BEYOND*) daughter of multiple award-winning actor Josh Brolin, **JOSEPH MELENDEZ** (*OZARK*), and Emmy-Award Winner **ERIC NELSEN** (*THE BAY*). The film is written and directed by Richard LeMay, who recently directed *DIMENTIA 13*, originated/funded and owned by NBC/Universal.

Every 25 years, it begins. Bound to an ancient pact, a family of unlimited power descends upon a small rural town to sacrifice four human lives, one being a member of their own family. This *ROSEMARY'S BABY* meets *DRAG ME TO HELL* thriller takes a dark look into how far the human spirit can take one soul in it's most desperate hour. Layered with plot twists and conflicted characters, *BLOOD BOUND* follows six people as they carry out their destiny to their ultimate horror.

"*BLOOD BOUND* is the perfect addition to our already impressive line-up of films." Said Mathilde Epstein, COO of Film Mode Entertainment, "We are quickly becoming the home for elevated genre films as evident in our success with films like *THE GOOD NEIGHBOR* starring **JAMES CAAN**. Our roster consists of a variety of these commercially viable titles that buyers and audiences around the world the world have been asking for."

Film Mode Entertainment has indeed become a home for elevated genre. Both, *THE NINTH PASSENGER* and *BLOOD BOUND* are highly-suspenseful films that are sure to entice buyers and keep viewers on the edge of their seats. Screening for the very first time, buyers will have a chance to see what makes the new thrillers such commercially viable films.

“I’m thrilled to be working with Filmmode to screen BLOOD BOUND at AFM.” Said Richard LeMay, writer/director of BLOOD BOUND. “This is a great opportunity to show people this dark, creepy film, and I think people are going to be blown away by Eden Brodin’s performance.”

The premiere screenings will take place on Thursday, November 2 at 1 PM at Laemmle-5 (**THE NINTH PASSENGER**) and at 3 PM in the Ocean Screening Room (**BLOOD BOUND**). Additional screening appointments can be made with Film Mode Entertainment.
