

## Technical Requirements

**Your desktop or laptop should have one of the following operating systems:**

MAC OSX 10.13 or higher

Windows 10 – all versions

**Mobile devices are not recommended but a satisfactory experience may be possible with:**

iOS 12.4.1 or higher, Safari browser only

Android 7.0 or higher, Chrome browser only

### Preferred Browsers

Google Chrome is recommended for the best experience on desktops and laptops.

Safari is acceptable for MAC OSX 10.14.4 or higher.

Firefox is acceptable.

**A mic and webcam are required in the Info Center and to engage with participants in the AFM Stages and Networking Pavilion.**
