

The AFM uses LVE to move freight into the AFM and up to the offices prior to Exhibitor move-in days. Exhibitors may consign shipments to any shipper or forwarding agent, but all such shipments must be delivered directly to the LVE warehouse.

Materials shipped in advance must be delivered to LVE warehouse facility in Las Vegas. All materials received at the facility **by Monday, October 28th** will be delivered to Exhibitors' offices prior to check in. Material received after that date will be delivered as soon as possible however no commitment will be made concerning delivery date and time.

LVE delivers materials to AFM offices, stores empty containers at their warehouse and returns containers on Saturday, November 9th after 6:00pm to your exhibitor office. Drayage rate (in US dollars) is a round trip rate. Rates below include the load in, storing of empties and loading back out.
